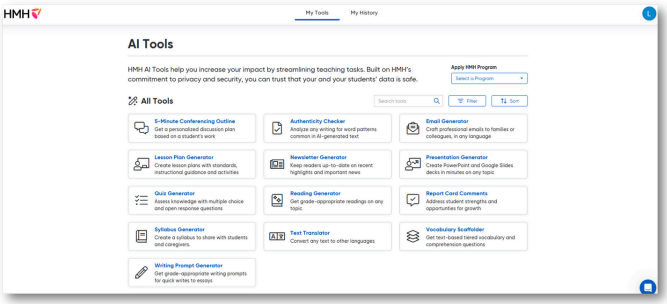
New for Back-to-School 2025!

Discover AI that teaches with you, not for you.

AI Tools on *HMH Ed*™ put the power of AI at educators' fingertips to quickly create and customize resources that meet the needs of their diverse learners - securely - on HMH Ed.

Get to know AI Tools on HMH Ed

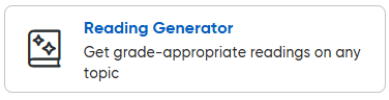
1. Curriculum connections* empower teachers to create customized program-based resources
2. Admin control over AI availability supports alignment with district initiatives
3. Superior security and privacy safeguards students
4. Six free uses per day (with the option to go unlimited) gives every educator the opportunity to explore



*Curriculum connection available for *HMH Into Reading V2, Into Literature V2*, and *Into Math*.

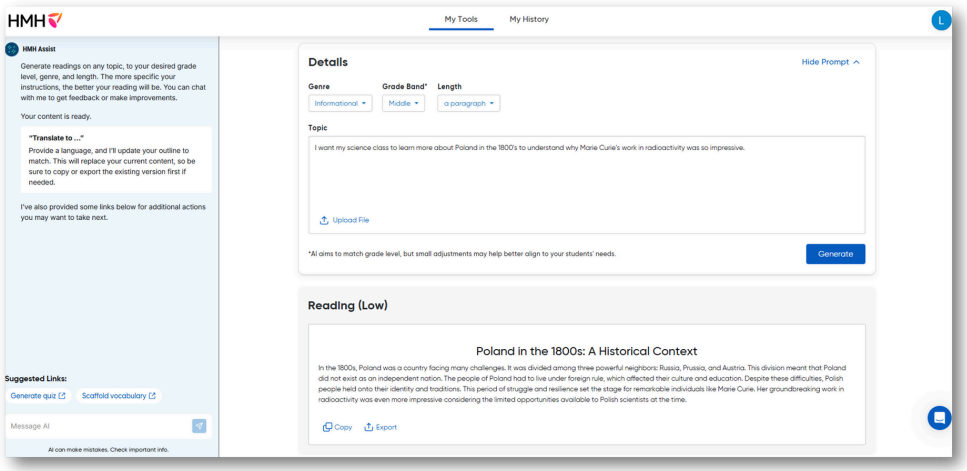
For your privacy and security, HMH has entered into a Zero Data Retention (ZDR) arrangement with Open AI™, ensuring data sent to Open AI is anonymized and cannot be used to train their model.

Generate Knowledge-Building Readings

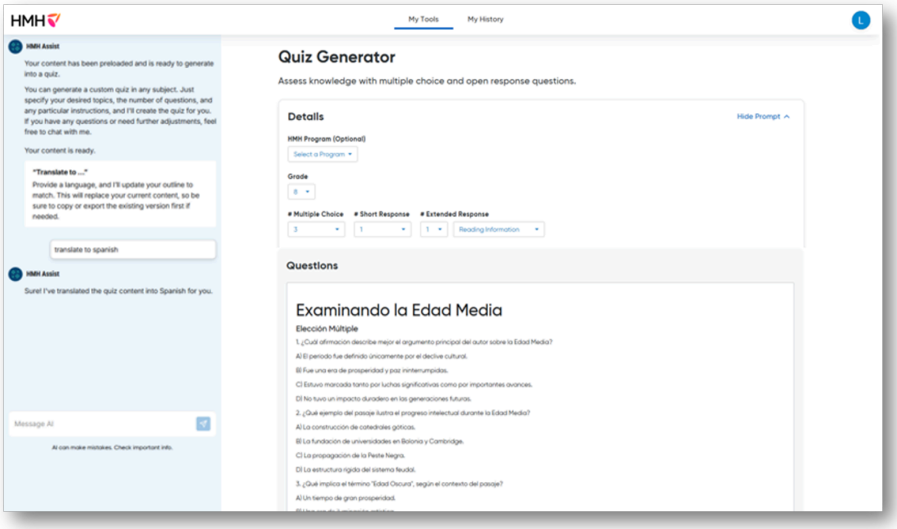


Quickly create readings to support students in building knowledge across topic areas.

Readings appear within seconds, with the ability to refine the prompt to better align with your goal.



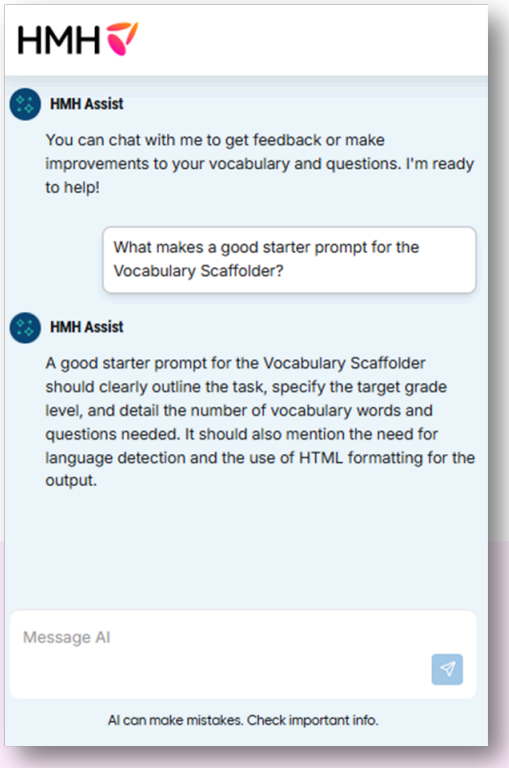
Check for Understanding



Quiz Generator
Assess knowledge with multiple choice and open response questions

Effortlessly generate quizzes in varying formats and multiple languages.

Quizzes can be based on generated readings, a unique prompt, or your HMH curriculum*



Receive Guidance and Inspiration

HMH Assist is your digital assistant that helps you build confidence using AI Tools on HMH Ed.

Ask it how to write a prompt, use it to refine an output, or follow its suggestions for next steps.

HMH Assist is embedded into every AI Tool to ensure support and inspiration is always a click away.

"HMH AI Tools are a game-changer, because they help us make sure that teachers are using HMH with fidelity."

-Desiree Monges
Instructional Coach, Galveston ISD, TX
