HMH Into Reading® California

HMH ¡Arriba la Lectura!™ California

GRADES K–6

Effective instruction built for California, in English & Spanish

Support integrated literacy and language development with an evidence-informed curriculum grounded in California's ELA/ELD framework and designed for today's classroom.

Help students develop biliteracy skills

HMH Into Reading California® and HMH ¡Arriba la Lectura! California™ ensure equitable access through consistent routines, explicit instruction, and scaffolded practice built on the tenets of Structured Literacy.

When paired, the two programs offer an intentional dual language pathway for developing literacy skills in both Spanish and English.
