The First Read 180 Educator

Districts throughout Florida have witnessed the impact and effectiveness of Read 180!

*“Read 180 has been making a huge impact, with **25+ Florida districts seeing success**. In 2024, third-party research confirmed the positive results achieved by students using Read 180!*

The *Read 180* program was initially piloted and adopted by over 10,000 students in my hometown of **Orange County, Florida**, as part of the Orange County Literacy Project.”

### NORTHEAST FLORIDA

In 2024 a school showed a **68% FAST tier II/ tier III student growth** plus 64% FAST growth in students with learning disabilities.

### SOUTHWEST FLORIDA

Both the High School and Middle School campuses experienced incredible growth, with **70% of students making Lexile gains** and 42% doubling their growth.

### SOUTHEAST FLORIDA

In Miami-Dade County School, third-party research found that **82% of students increased their proficiency** by the end of the year, with **58% increasing at least one grade level** and **31% improving by two grade levels**.
