FOR TEACHERS

Getting started with *HMH Into Literature*

We understand that implementing a reading program takes a lot of support, and we're here for you every step of the way! HMH's blended professional learning delivers what teachers need, when they need it, with Getting Started sessions, Teacher Success Pathways, and Teacher's Corner® to help teachers and students to thrive.

Initial implementation support

Kick off your implementation with engaging in-person or live online sessions designed to build teacher confidence. Teachers will get to know the program organization, lesson structure, and digital resources available to them on the HMH Ed™ learning platform. With the support of an HMH® instructional coach, teachers will leave the session with an understanding of their program and a Digital Program How-To Guide.

Note: Hours for Getting Started sessions are calculated based on the number of student digital licenses/packages.

HMH Into Literature How-To Guide

During our time together, you'll learn the essential components of *HMH Into Literature*® and be prepped and ready to plan your first lesson as you continue on your Teacher Success Pathway.

Today's learning objectives:

1. **Identify** how *HMH Into Literature* fits within your instructional block.
2. **Explore and select resources** to begin planning and teaching.
3. **Prepare for next steps** on your literacy program learning plan.

Teachers receive a comprehensive How-To Guide during their Getting Started session that they can continue to reference throughout the school year.

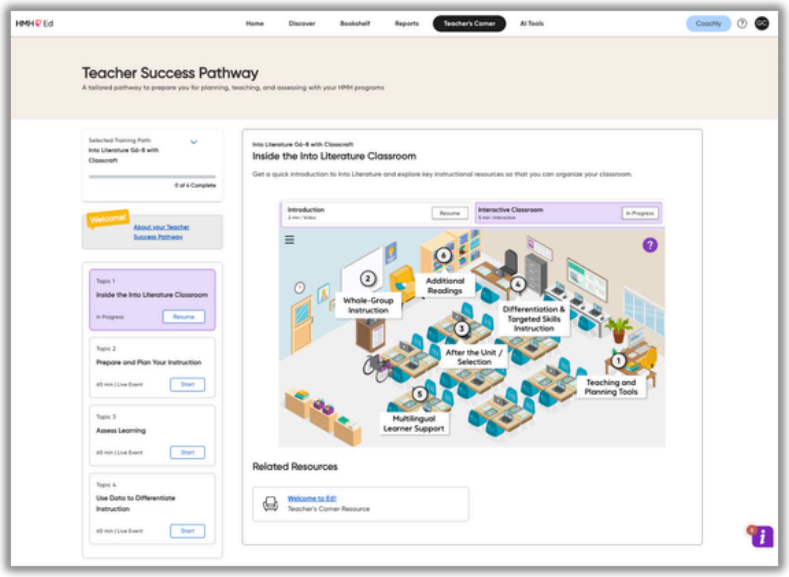
FOR TEACHERS

Teacher Success Pathways

We want all teachers to feel confident teaching with *Into Literature*, so our professional learning is focused on supporting teacher success in the first 30 days, even if they are new to teaching reading. Every teacher receives a Teacher Success Pathway aligned to their program and grade level. This guided learning pathway includes a series of topics to support them with planning, assessing, and differentiating learning. Through interactive multimedia, videos, and downloadable resources, teachers will get answers to their questions and deepen their understanding of their new program.



Access the Teacher Success Pathways on your Home page on it Teacher's Corner on HMH Ed.

Build teacher confidence with personalized learning

Plan

Review planning resources and navigate digital tools to understand unit and lesson structures, create engaging lesson plans, and apply prioritization and pacing strategies in the planning process.

Teach

Become acquainted with key instructional resources to organize your classroom and watch a short model lesson to see how the resources come together in a lesson.

Assess

Explore year-round program assessments, how to align instruction with those assessments, and use reporting on *HMH Ed* to monitor student learning.
