

Ensure a Successful Program Implementation with the Right Leader Support

HMH partners with leaders all throughout the year to provide guided learning experiences for them and their team that build confidence in their new program and support them as they work towards their professional goals.

Impactful Leader Learning Included with your HMH Program

Leader Getting Started Sessions

To ensure leaders feel confident launching their new HMH program, our professional development is designed to support program mastery, beginning with a getting started session. This engaging 1-hr, live online session for leaders includes:

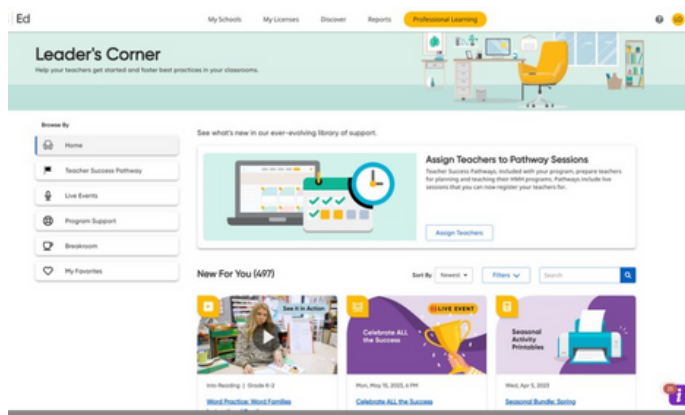

- Guidance for navigating HMH Ed
- Introduction to your new program
- Tips and strategies for supporting a successful implementation

Leader’s Corner[®]

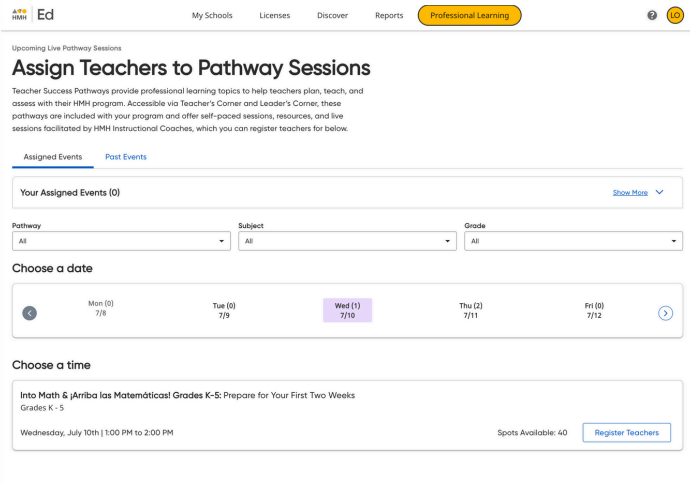

Leader’s Corner on Ed, our in-platform educational community for leaders, provides you with unlimited, year-round professional learning experiences designed to equip and support you through program implementation and beyond.

Leaders Benefit from:

- A library of on-demand PD and leader-specific resources
- Live Events on topics specific to leaders
- Ability to register teachers for TSP live sessions to encourage program utilization
- Leader Success Video for every program to support successful implementation

Access your library of resources, leader live events, and Teacher Success Pathway scheduling panel on Leader’s Corner

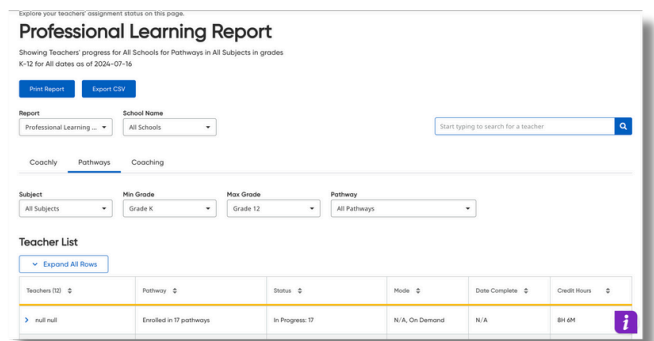

Assign teachers to Pathway events directly from Leader's Corner on Ed

Leader Reporting

The Ed platform comes with built-in support for your implementation and professional learning initiatives with Professional Learning reports. These reports make it easy to monitor school-wide progress provide your team with support to stay on track towards their professional goals.

Teacher Success Pathways

- With each HMH program, teachers get access to a unique guided learning pathway that equips them with the tools they need to plan, teach, and assess with their new program so they can get their classrooms up and running quickly.
- During back-to-school, leaders can register teachers for Pathway live sessions from Leader's Corner so teachers can experience the session together.
