HMH | Math 180®

Expanded Offering!

New Block Series Available

Now, students can benefit from targeted support designed to enhance their foundational math skills and pave the way for academic success.

Our new Block Series focuses on key areas such as **addition**, **subtraction**, and **place value**, providing tailored assistance for students who need extra support in mastering these fundamental concepts.

With *Math 180*'s early intervention approach and personalized learning modules, students are empowered to overcome learning obstacles and develop a strong foundation in math.

COMING FALL 2024

Addition, Subtraction and Place Value

Block 1: Add and Subtract within 20
Block 2: Add and Subtract within 100 using Counting Strategies
Block 3: Add and Subtract within 1,000 using Place Value

Juli Dixon

Meet Dr. Juli Dixon, co-author of *Into Math* K–8, *HMH AGA*, and our newest Series author for *Math 180*. As a renowned professor of mathematics education at the University of Central Florida (UCF), Dr. Dixon is dedicated to enhancing teachers' mathematical expertise to foster student communication and justification of mathematical concepts.

Dr. Dixon's expertise has played a pivotal role in developing intensive intervention content for elementary students in *Math 180*.
